**House Bill No. 911**

By deleting subsection (d) in the amendatory language of Section 1 of the bill and substituting instead the following:

(d) Following three (3) documented removals, the principal may not return a student to the classroom from which the student was removed without the teacher's consent. If the principal or the principal's designee recommends returning a student to the classroom following the three (3) removals, the director of schools or the director's designee shall review the record and determine future appropriate action. This action may include the returning of the student to the teacher's classroom as an option from which the director of schools or the director's designee may choose along with in-school suspension, suspension, expulsion, student transfer, and all other appropriate actions as detailed in school policies.
